

## *What type of Person Joins CSN*

We welcome single Catholics, ages 21 and over, who have a positive, Christ-centered attitude, and treat other singles with kindness and respect. We want Catholic Singles who recognize that the Lord is in each one of us.

Almost all of our members are successful professionals who have turned to CSN because they want to meet people who share their faith and have good values.

### *Is CSN a match-making organization?*

Not in the traditional sense in which a matchmaker goes into the community for a client and attempts to find a perfect match of the opposite sex.

Essentially, we have a pool of Catholic single members who are interested in meeting new people and expanding their circle of friends. Each month, we select a man and a woman from our membership profiles whom we feel have a good chance of becoming friends.

### *Why is it important that single Catholics meet other Catholics?*

In regard to short-term friendships, it's not that crucial. We should be friendly with everyone. However, if you are seeking friendships that could lead to marriage, common religious beliefs are extremely important.

The current divorce rate in California is 54%, meaning that more than half of the marriages end in divorce. Among Catholic couples who worship together, the divorce rate is only 2%. This means that CSN couples who marry and go to Mass together have a tremendous chance of making their marriage succeed.

## **CSN EVENTS**

CSN sponsored events allow you to meet other Catholic Singles in a low pressure environment.

## *CSN Philosophy*

CSN is a Catholic lay ministry which introduces good quality Catholic men and women to each other, based on their shared beliefs and mutual interests.

Each month, our members are introduced to a new Catholic single, or they have the option of choosing for themselves among our profiles of Catholic Singles online. They get together for a cup of coffee or a glass of wine or attend Sunday Mass, in the hopes that a friendship will develop.

We host events for members and also provide information on some singles activities provided by parishes in the Bay Area, Los Angeles, Orange County, and San Diego. We encourage our members to get involved on a parish level as well as being involved with our ministry.

Since its inception in 1991, the philosophy of Catholic Singles Network has been "friendships first." Through its introduction services and social events, CSN has been a real comfortable way to get to know someone and to expand your circle of Catholic Single friends.

## *HISTORY OF CSN*

The Catholic Singles Network (CSN) was started in 1991 by Scott Reneau, the Social Chairman of the 30-Something Group at American Martyrs Catholic Church in Manhattan Beach, CA. In January 2004, Paul and Marian Tamayo assumed the leadership of CSN. Both Paul and Marian have extensive leadership experience with Catholic Young Adult Ministries in Northern California. Their mission is to provide opportunities for Catholic Singles to meet, whether it is through dating or through social events.

*"I was with CSN in the past and have nothing but good things to say about it. While I was not serious in finding someone when I joined in 1999, I told myself that when the time came to make the search for a special someone almost a mission, without a doubt, with a 100% conviction, I'd find him via CSN."*
